NEWS LETTER

March, 2009

No. 52

Lucknow

Dear esteemed members,
Season's greetings!

The 43rd annual conference of the Association of Plastic Surgeons of India was held from 11th to 15th November 2008, in the sprawling campus of Banaras Hindu University, Varanasi. It was inaugurated by the illustrious Plastic Surgeon Dr. Joseph McCarthy. Dr. J. K. Sinha was the guest of honour. Hon'ble Vice Chancellor of Banaras Hindu University, Dr. D. P. Singh presided over

the function.. The conference was preceded by an operative workshop on 10th November 2008. Live surgeries were demonstrated by Dr. Sampath Kumar, Dr. Thulasidas, Dr Ashok Koul, Dr. Ramesh Sharma and Dr. Bhangoo. Besides Dr. Joseph McCarthy, the international faculty consisted of Dr. I.T. Jackson, Dr. K.S. Bhangoo Dr. David Elliot, Dr. Niri Niranjana, Dr. M. Rangaswamy. The academic content, choice of faculty, speakers for the conference was appreciated by all.

The organizers under the able guidance of Prof. V. Bhattacharya and with the organizing skills of Dr. Subodh Kumar Singh and their team had left no stone unturned in making the stay of the delegates enjoyable and memorable. The food arrangements were excellent. The social evening events, be it boat cruise in Ganges river, (with lighted ghats, on

Dev Deepawali day) or the imaginative and figurative use of hand (by shadow play representing various forms and story telling) left the delegates spell bound, They would cherish the memories of the events for their lifetime.

Our Association of Plastic Surgeons of India is a dynamic organization. 50 new members joined it this year. The association supports a number of scientific activities every year. It also provides for a number of fellowships to promote academic exchange and social interaction.

Our election process is under review. Dr. V. Bhattacharya has constituted a committee with Dr. K.S. Goleria, Dr. K.S. Shekhar, Dr. K. Sridhar, Dr. Karoon Agarwal, and Dr. Atul Shah as its members. The recommendations have been given by the committee. They will be deliberated upon by the executive during its midterm meeting on 10th May 2009, at Delhi.

Dr. A. K. Singh
Hon. Secretary

Communication from the legal cell - Dr. Atul Shah :

- In 2011 India will have its census. We do not have any authoritative data regarding deformity

prevalence. Please write to The Registrar General of India, 2A, Mansingh Road, New Delhi-110 011, India on your letter head and preferably by speed post requesting him to include following questions during door to door questioning.

1. Is there anyone in the house having any type of long term physical disability following any accident?
2. Is there anyone in the house having contractures due to Burns?
3. Is there anyone in the house born with some deformity?

You may add any more questions that you wish may be relevant. If our collective efforts evolve into deformity related statistics derived during census, many preventive as well as surgical activities can be planned. You may also write to respective State Registrars, and the addresses are available on the web.

- The Legal Cell has obtained primary offer from General Insurance Company for Professional Indemnity Insurance covering; Cosmetic Surgeries, The proposal has been sent to the EC for deliberation in their mid term meeting and will be put before the General Body during Mahabalipuram APSICON 2009.
- Legal Cell has been helping individual members in their medico-legal situations. Legal Cell has helped in drafting the model clause along with the committee appointed to review election process. The cell has also suggested modifications in some obsolete clauses of the existing constitution.
